HP Color LaserJet Managed E55040dw

Speed and color are the perfect pair for your business. That's why this energy-efficient printer and Original HP Toner cartridges with JetIntelligence combine to produce vibrant, professional-quality documents right when employees need them.

High-speed performance meets energy efficiency

- Print from sleep mode in as fast as 9 seconds.² Get two-sided prints as quickly as one—up to 40 ipm.³
- This printer uses exceptionally low amounts of energy—thanks to smart media-sensing and toner technology.⁴
- Equip employees to breeze through tasks with the adjustable 4.3-inch (10.9 cm) color touchscreen.
- Consistently print high-quality documents across a variety of media—including A5—with automatic media sensing

Your fleet—simple, protected, streamlined

- Centralize control of your print environment with HP Web Jetadmin—and help build business efficiency.
- Protect sensitive data—use embedded or optional features, including HP JetAdvantage Security Solutions.
- Easily develop, deploy, and add on HP and third-party solutions. Choose the optional 1 GB memory upgrade.
- Increase security, restore control, and help avoid additional expenses—with HP JetAdvantage Private Print.⁸

Print whenever business demands

- Enable wireless direct printing in the office—from mobile devices—without accessing the network.9
- Print with just a touch of your NFC-enabled mobile device to this printer—no network needed. 10
- Easily print from a variety of smartphones and tablets—generally no setup or apps required.

More. Pages, Performance, and Protection.

- Original HP Toner cartridges with JetIntelligence deliver more pages per cartridge than predecessors.11
- Count on professional quality at fast speeds—HP ColorSphere 3 toner works best with your HP printer.
- Help ensure the authentic HP quality you paid for with anti-fraud and cartridge authentication technology.
- Print right away with preinstalled cartridges. Replace them with optional high-yield cartridges.

energy \$\frac{1}{2}

Local printing requires mobile device and printer be on the same network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ³ Measured using ISO/IEC 24734 and excludes first set of test documents. For more information, see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ⁴ Based on HP testing using the ENERGY STAR® program's Typical Electricity Consumption (TEC) method or as reported in energystar. gov vs. competitive single-function cold laser printers with print speeds between 31 and 44 pages per minute (ppm) as of November 2014. Actual results may vary. ⁵ Some solutions require download or additional purchase. Learn more at http://www.hp.com/go/printingsolutions. ⁶ Universal device plug-in is offered with HP Web Jetadmin 10.3 SR4 and higher. HP Web Jetadmin is free and available for download at http://www.hp.com/go/bribtingsolutions. ⁶ Universal device plug-in is offered with HP Web Letadmin 10.3 SR4 and higher. HP Web Jetadmin is free and available for download at http://www.hp.com/go/bribtingsolutions. ⁶ Universal device plug-in is offered with HP Web Letadmin 10.3 SR4 and higher. ¹ Toner cartridge yields established using ISO/IEC test standards. Actual yields and costs vary considerably depending on images printed, number of color pages printed, and other factors. ² Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages; this will damage the printer and void the product warranty. Power consumption in Auto-Off mode depends on ustomer network switch capability, user configuration and network activity. Off-mode power may vary while checking network packets for printing box. 34 everage color composite (C/MP) and black declared yields based on ISO/IEC 1978 and continuous printing. Actual yelds vary considerably based on images printed and other factors. For details see http://www.hp.com/go/lean-packets for firmware upgrade to be compatible, download at http://www.hp.com/go/support ⁵ Acoustic values are subject to change. For current information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ⁶ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ⁶ Measured using ISO/IEC 17629. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration on the system configuration, software application, driver, and document complexity. ⁶ Measured using ISO/IEC 17629. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system and policy cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. ⁶ HP recommends that the
